

A Change Starts With Me

Perceive the needs.
Nourish the hungry.
Clothe the cold.
Give shelter to the homeless.
I can change my world.

Hear the cries.
Peace not war.
It's about giving, not receiving.
I can change my world.

Experience the pain.
Health, not wealth---
Understand, don't judge.
Quality is better than quantity.
I can change my world.

Cherish the life.
Equality, not racism---
Love thy neighbor.
Beauty is only skin deep.
I can change my world!
