

Career Center Student Opportunities - 2013-2014

The Career Center is an important part of your Student's education and Growth at Manchester High School. We can provide the connections to motivate and inspire your students as they search for the future educational and career goals. We are integrated with the School Counseling Department and Naviance programs. We encourage all ninth graders to get involved to start planning their future so they can make educated choices about their classes, activities, clubs, sports, and volunteer opportunities. Check out what we have to offer below:
